COMMERCIAL COVERAGE

Product Liability Insurance

Global protection for manufacturers, distributors and end-users against claims of injury, death or property damage arising from product defects.

As manufacturers expand internationally, a globally recognised insurer with proven financial strength gives partners and regulators confidence to do business with you.

Requirements differ by jurisdiction as some markets require a locally admitted policy before you can distribute or manufacture there. We help you confirm this upfront.

What's Covered

Flexible coverage
Plans that scale with your business, market by market.

Coverage, all-in-one
Liability, equipment damage, recall costs, and errors & omissions under one contract.

Built for global reach
One programme, adapted to the regulatory needs of each territory you operate in.

Connected-product cover
Network security protection for the growing share of products linked to apps.

Risk engineering
A dedicated team helps you mitigate risk and prevent recurrence.

Dedicated claims service
A named contact guides you through every claim, start to finish.

Who This Is For

- Manufacturers & distributors going global
- Custom-Built Technology
- Innovation-Focused Approach
- Custom-Built Technology

FEATURED SOLUTION

Life Sciences Liability Insurance

Purpose-built indemnity protection for medical device and pharmaceutical companies covering manufacturing, distribution, servicing and use of complex medical equipment, with terms tailored to this fast-evolving field.

Before you enter a new market: Confirm whether that jurisdiction requires a locally admitted policy. Rules vary by country, we check this with you before you distribute or manufacture there.
